We are excited to announce that the City of Walker has implemented the ability to apply for Permits and Schedule Inspections online!

You can access the site directly at bsaonline.com. This will take you to the BS&A Online page where you can login to your account and begin the online process of applying for permits and scheduling inspections.

In order to benefit from all of the features that BS&A Online provides, you **must** create an on-line BS&A Online Account and link it with the contractor record that is established in our Building Department software. This allows you to see all your permit and inspection history in the City of Walker.

How do I create a BS&A Online account?

Please go to: bsaonline.com and follow the registration process. You will be sent an email once your account is created. Once you have clicked on the link in the email your account will be activated. Creating an account takes less than 5 minutes.

Once I've created the account, how do I link it with the municipality?

1. While logged into your BS&A Online account, click on the 'Municipalities' button found in top right-hand corner of your screen
2. Search for and click on **"City of Walker | Kent County | MI"**
3. Under the Building Department heading (in the tree on the left of your screen), click on View My Activity.
4. From here, click on the yellow 'I have a pin' link and enter your pin.

Contact CDD at 616-791-6858 if you do not have a PIN.

Once you have created and linked your account, you will be able to log into BS&A Online at any time to view your activity history, request inspections and apply for permits Online.
